

CLIFF NOTES

NEWS & VIEWS FROM KAURI CLIFFS, CAPE KIDNAPPERS & MATAKAURI
THREE LUXURY LODGES | THREE STUNNING LOCATIONS | ONE SPECIAL FAMILY

Dear Friends,

Welcome to the latest CLIFF NOTES from Kauri Cliffs, The Farm at Cape Kidnappers and Matakauri Lodge. There is plenty of good news to report across all three properties, particularly with the holidays and the wonderful summer season now upon us. My wife Claire and I have spent the past year living in Queenstown, and it has been fabulous to see and experience the great response we have had from our guests around the world to Matakauri Lodge. Claire and I worked hand in hand with our design team on this lodge, so we are especially thrilled that Matakauri has met with such universal praise from our guests. As you will see, there is much in store across all three lodges, so do plan your next visit and we can share these special parts of New Zealand with you again. Meanwhile, enjoy summer!
