Managing Director

*Dear Friends,*

*Winter is a great time to visit Kauri Cliffs and The Farm at Cape Kidnappers as there are lovely fires roaring, attractive rates including unlimited golf or spa, and some fantastic food & wine weekends. Paired with the winter special rates, these special dinner events include some world class wines, so this really is a great inclusive offer. We do hope you will book in to one or all of our special weekends.*

*Meanwhile, I am excited to be able to offer you the same level of accommodation and hospitality that you have enjoyed at Kauri Cliffs and The Farm at Cape Kidnappers at our new addition to the family in Queenstown, Matakauri Lodge (opening August 27).*

*I will be moving to Queenstown to personally manage this property, so I am delighted to announce that Julia Hausermann will take over as Lodge Manager at Cape Kidnappers, while Kerry Molloy remains at the helm at Kauri Cliffs.*

*You'll also find some special opening offers at Matakauri, so I hope to be able to welcome you among the first guests when we open.*
